There are 12 Chapters in the Full Size Pattern Set that contain the needed blocks in each section. We will meet on the 3rd Thur each month for 12 months and there will be an extra class for construction. Now, here are the bonus options:

- Option A: I am providing a Digital Cutting Option for those who own a Cutting Machine so all the Appliques and Words can be precut - Hurray! Big Time Saver and so accurate! This file will be available as an optional and additional purchase for only \$24 (only \$2/mon)! Remember you can still trace and cut the appliques from the pattern if you wish with no extra charges and no cutting machine needed.
- Option B: Each class fee is only \$15 from 10:30 - 3:00 and this will give you lots of time to work on your blocks and/or precut your appliques - all 13 classes will eventually cost \$195 if you pay by the month.
- Option C: Choose 12 months with 0% Financing for \$208 and this includes the Construction class.
- Option D: Choose to PrePay all 12 months for \$180 and get the Construction class for FREE!
- Extra Bonus: We have all the applique Templates created and they will be provided at no extra charge when you sign up for Option B, C, or D
