Learn to Quilt
in this class
designed for
the beginner!

You will learn:

- ✦ Quilting by Machine
- ✦ Fabric Tips and Cutting Tricks
- ✦ Rotary Cutting
- ✦ Block Assembly
- ✦ Borders and Binding
- ✦ Successfully Finish Your First Quilt

If you have always wanted to learn how to start quilting without investing a ton of money or time just to try it, Judy will be your cheerleader and awesome teacher to share every step you need to make this Fun & Easy Mat as you learn the basics of quiltmaking in this one day Class. Anyone is welcome to attend, even if sewing and quilting are brand new to you! Class size is very limited and if you enjoy this project, we have a whole quilt you can choose to make as another option!
