

## FOOT CONTROL MAT CLASS

Does your foot control pedal ever slide around as you are sewing and you have to keep dragging it back into place? Well PROBLEM SOLVED!

In this class we are going to make a foot control mat with non-skid material on the back so that foot control stays put. It's like a doorstep for your foot control! Reserve your seat now!

DATE: Tue, March 22<sup>nd</sup>

TIME: 10:30 – Noon

CLASS FEE: \$15.00 This **includes** a kit containing all the materials to make this project.

Just bring your machine (or rent ours for \$5.00) and a neutral color cotton thread. Your “F” foot and ¼” foot, seam ripper (included if you are renting a machine) and small scissors.

In the class you will receive written instructions as well as visual “how to” examples.

Call or stop by the shop to sign up. ALSO, we have two sizes of mats so let us know if you have a small or large size foot control so we can tailor your kit to fit your needs. 573-348-1972
