

### Supplies needed for One Block Wonder Panel Workshop:

- Book - One block Wonder Panel Quilt
- 6 Panel Fabrics for Quilt but Option for 1 more matching Panel for Insert in Quilt
- One long and 1 short quilting ruler
- 60\* Triangle Ruler with a Point on Top
- Rotary cutter with new blade and a mat
- Flower head pins, they must lie flat on fabric
- Quilt Block Markers
- Design Wall Fabric (Tamara has this special fabric with square grids that will allow your quilt blocks to "stick" without pins to help you lay out your quilt – 54" wide)
- Your sewing machine with standard accessories or Rent ours: \$5.00
- Standard cotton sewing thread (like Aurifil) in top and bobbin or Cotton Prewound Bobbins (like Glide Clear-Quilt)
- Microtex sz 90 Needle
- Scissors for trimming

April 13 at 1-4pm: We will talk about the OBW, and we will show ladies how to go around room and take picture of different panels, or fabric to see what the design will look like with a Free App on your phone – A Real Try before you Buy!

April 20 at 12:30 – 4:30- Everyone should have fabric pressed and ready to go, we will first pin the fabric to make sure it is lined up correctly, make sure you have your tools with you to cut a row fabric and make a row of triangle blocks. Also bring some sandwich size zip lock bags to put fabric pieces in. Also, when you are cutting, bring a weight or a pint of paint to hold the ruler down so there won't be any slippage of the ruler when cutting. It will happen!!!

April 27 at 12:30 – 4:30 - We can sew blocks and I will show you how to set it up on the design wall. Some ladies may want to incorporate part of the panel into the hexies and we will show you how to do a layout. This is when the blocks can be arranged and connected

Please call with any questions you might have – we are looking forward to share this fun class workshop with you! 573-348-1972
