

LOVE TO SEW BOUTIQUE

WONKY CHRISTMAS TREE BLOCK EXCHANGE

1. Sign up for the class. (Class Fee is \$12.00)
2. No Pattern to Purchase! There will be an instructional class on **Wednesday, December 1, 10:30am**. Class will include a demo of how to cut the blocks and also a take-home handout with the instructions. For those who cannot attend, no problem. You can pick up your instruction packet at the shop and work independently.
3. For those who would like extra instruction or just a social afternoon, there will be a “sit & sew” following the class demo. Bring your machine or rent one of ours (\$5.00 rental fee).
4. You will have one week to make approximately 12 blocks – exact number to be determined by number of participants. (Don’t worry – each block only has 5 seams! VERY EASY!
5. Bring your blocks to the shop no later than **11:00 am, Wednesday, December 7**. Now the fun begins! Your blocks will be exchanged with those of other class participants. These blocks are yours to keep and assemble into your quilt.
6. **BONUS....** December 7 is also the date of LOVE TO SEW BOUTIQUE’s open house! This year (due to Covid restrictions) there will be an open house instead of the Pot Luck Luncheon we have had in the past. Everyone will get to draw a discount coupon for more shopping fun!! You will get more information on this event in your email.
